D.O. No.1/21-2017 (AC NSQF)
Dated 16.04.18

Sub: Introduction of applied skills- Coverage of additional (i) Govt. Secondary Schools and (ii) Govt. Sr. Sec. Schools from 2018-19 academic session under CSS- VSHSE.

Dear DEOs

I would draw your kind attention to DO. letter no. 1/21-2017(NSQF) dated 20.11.2017 detailing therein the parameters for submitting data/recommendations regarding introduction of applied learning skills in uncovered Govt. Sr. Sec. schools from academic session 2018-19.

As per later development, MHRD Govt. of India has now circulated certain norms under the integrated scheme for School Education which would be implemented under 'Samagra Shiksha Abhiyan'. For this comments and suggestions on the draft framework have also been invited from the State Government.

Since the proposals which in all probability have to be submitted under the draft framework for which the meetings of the Project Approval Board of MHRD Govt. of India will be scheduled shortly, it is necessary that further action keeping in view the framework is initiated on top priority basis to revise/modify the proposals accordingly.

Now so far as implementation of the Centrally Sponsored Scheme- Vocationalization of Secondary and Higher Secondary Education is concerned, the schools can offer two vocational courses one each in class 9th & 10th and the other in 11th -12th with 40 students in each section. Each course may be covered in a span of 2 years. If considered feasible, one vocational course may be offered in schools located in rural, thinly populated areas, SFDs and EBBs etc.

While recommending the schools, the proximity between the schools and industry/employer would be a major consideration in the selection of schools for the implementation of the scheme. Every school will be required to have linkage with some related enterprise/industry/farm/organization, etc. for hands- on training, specialized quality assurance and other relevant aspects.

Now in addition to Sr. Sec. Schools, Secondary Schools can also be considered for introducing skills under the scheme. Therefore keeping in view the parameters and the requirement based on which additional Govt. secondary and sr. secondary schools can be identified and recommended have been identified.

You are requested to go through this list, look into other parameters and recommend the schools in the enclosed format within 5 days from the receipt of this communication. The skill gap analysis can be viewed on NSDC website www.nsdcindia.org. The suggestive list of skills which can be introduced in class 9th and class 11th in the additional schools to be

covered /recommended is also enclosed. While doing so, besides other parameters, the most important would be the student strength, one/two rooms for setting up of labs till new labs are constructed have to be kept in view. The list of schools is only suggestive. Necessary modifications/addition/deletion can be made at your level before the submission of recommendations from your end.

This being a programme of national importance to which State as well as Govt. of India is according top priority, I would request you to email at nsqfharyana@gmail.com your recommendation within 5 days in any case.

You may feel free to contact the undersigned any time on mobile - 09357445133 if need so arises for any further clarification.

- D.A. - 1) Tentative list of schools
2) Suggested skills for introducing in the uncovered schools
3) Format for High (secondary) schools
4) Format for Sr. Sec. Schools

With regards

(K.K. Agnihotri)
