where applied skills in Media-Entertainment/ Animation
introduced under CSS-VSHSE (NSQF)

Subject: Skilling students in application oriented subjects.

Please refer to the subject cited above.

NSQF is a programme of National importance with the objective of skilling the nation and the students in particular to equip them for facing challenges in the World of work. Keeping this in view the services of Vocational Teachers positioned in your school are to be fully and fruitfully utilized for skilling the students other than the students who have not taken up the applied skill as a subject. For this course content in some skills already introduced and also to be taught to the students in class VI-VIII has already been developed and shared with the schools.

Now in this regard VTPs concerned have developed a syllabus for Media-Entertainment/ Animation for class VI to VIII students. The teachers appointed to teach Media-Entertainment/ Animation under NSQF should also interact with the students and topics as given in the attachment as a hobby in classes VI to VIII one period for each class in a week.
