D.O. No. 4/7-2013(NSQF)
Date: 26.3.2014

Sub: Admission to class 9th (2014-15 session) in two applied skills introduced in 100 Govt. Sr. Schools (2013-14) covered under Centrally Sponsored Scheme of Vocationalisation of Higher Secondary Education in integration with NSQF.

Dear Principals (*list enclosed*)

As you are aware your schools were covered last year under the Centrally Sponsored Scheme of Vocationalisation of Higher Secondary Education in integration with NSQF. Each School was allotted two applied skills for which you were requested to enroll students admitted to class 9th during 2013-14.

Now these students stand promoted to class 10th and it is hoped that you might have initiated the process of enrolling students in these applied skills in class 9th from those students who are being admitted to class 9th for the academic session 2014-15. 25 students are to be enrolled in each of the two applied skills. While doing so the aptitude of the students and other parameters as had been explained to you during review meetings of Principals are to be kept in mind.

As done last year, please spare no efforts and pool all your energies to ensure that each applied skill gets 25 students in class 9th, they are properly taught, equipped with skills so as to become competent professionals as and when they opt for a job may be after 10+2 or graduation or post-graduation.

Please send the number of students so enrolled after completing the admissions in each trade by 15th April 2014.

Regards

K. Agnihotri
(K.K. Agnihotri)
